

Happy Spring, some days we look out and wonder if Spring will ever get here and then some days it's here, but then we all say, "it's Nebraska"!!!

Just like the weather, things change in our lives almost every day, and we might say "that's life" or we might wish or try to change it. Yet we find out that changing it seldom works, and either we deal with it or grumble about it. Are you a dealer or a grumbler? Some days I find myself probably grumbling a lot, but the fact is I can't always change what I'd like to. Maybe it's our age that makes change harder, wouldn't it be nice to think like a child and just let things bounce off us and go on our way. Are there ways we can do that? At least that's what phycologist tell us, but really do we need someone to tell us, maybe at times, but we can tell ourselves that just as easily. All of us deal with life differently, just

Somers Point Newsletter April 2024

opening our eyes and putting our feet on the floor is a start. Starting out with a positive thought, about ourselves or someone dear to us is another way, or just looking out the window and seeing the beauty of nature. All we have to do is look around and we are offered a "great deal" to make our day a good one. It's been stated that "You cannot control your results; you can only control your efforts"

Happy dealing!!!!!!!

Thank you to Mae B. and Janice B. for the spaghetti meal in March, it was a really nice change. Isn't it nice when someone else cooks??

Remember, April 11th will be our Potluck meal and we will begin at 5 p.m., so get out that recipe you've been dying to try and share it with us. There will be no sign-up sheet, just come and enjoy the food and fellowship.

NOTICE: The inspection dates have been changed to the week of April 22nd.

IT'S GOING TO HAPPEN:

April 3rd will now be the date for the beginning of playing Hand and Foot. It will be played the first and third Wednesday of the month at 1:30 p.m. at the Club House, this is open to those who already know how to play AND those who want to learn. Come and enjoy.

The plans are almost final for the Information Fair we are holding on June 26th from 11 a.m. to 1 p.m., at the club house. This will give you a chance to find new or renewal information or services that are available to Seniors. Join us during that time, visit with our displayers, ask your questions, and have a sandwich at no cost.

Allo has confirmed that at the end of April, the reduced or free internet service through the FCC we are receiving will end. You may still stay on with Allo, but it will be at a cost. You will need to contact Allo about that or they will bill you for the type of service you are now using. There are other internet services out there that might be less costly, one just needs to shop. The housing office has nothing to do with that service, each person is responsible for themselves on the service and price. Any information

received will be shared, you may stop and look at the letter on the table at the Club House for more information.

Do you remember as a child the saying "Rain, Rain, go away, come again another day"? Well, we could really be saying "Wind, Wind go away," but it probably or hasn't done any good. Because of the wind, please consider putting your garbage in a bag before you put it in the container outside. The way the wind hits out here some days it can open your can and your trash is sucked out if it isn't in a bag that is tied shut. No one wants trash in their yard, and certainly don't want to run after it, please do your part on keeping things looking nice.

This month we are sending good thoughts and speedy recovery wishes to: Betty K., Sandy B., Jane G., and Betty H., and are glad Donna M. is doing well after her fall.

To all of those who are stepping up with the house keeping at the Club House we thank you, many hands get it done quickly. We especially thank Virginia for faithfully opening and locking the club house each day. Remember if you wish to use the club house for a family gathering before 9 a.m. or after 4

p.m. to contact Virginia or Rachel to make those arrangements, also remember to put your name and phone # on the calendar at the club house on your date.

The lawn mowing will be starting soon, please be sure items in your yard are not sitting on the grass but are on the rock area or sidewalks. Thank you.

Our April birthdays are:

Sandy B.	-----	20 th
Kay W.	-----	22 nd
Pam P.	-----	28 th
Irene H.	-----	29 th

Treasurer's Report as of 3/20/24

Dues Fund	-----	\$126.06
Meal Fund	-----	\$770.18
Bingo Fund	-----	\$409.30
Memorial Fund	-----	\$100.00
Balance	-----	\$1405.24

For those of you who are not aware, the remodeled Keene Library in Fremont is now open. Also, be aware that the library has a book delivery service to your home, and on the 3rd Wednesday of each month Rebecca is at the Club House at 10 a.m. to take back your books and will also bring some for you to pick from. You will need a library card for this service, but there is no charge for the card.

Also, Dave's liquor on East Military Avenue has used books and puzzles you can buy at a minimal price. The money from those sales goes toward the Friends of the Library foundation.

*May Spring bring
good deals for you!!!*
