March 2026

Isn't spring supposed to come this month?

Well Mother Nature sure keeps us guessing as to what the weather will be like each day. Unfortunately, it is still winter in Nebraska for a few more days.

We seem to have some confusion about the opening of the clubhouse for events this time of year.

Several years ago it was decided by the residents of Somers Point that if inclement weather has caused the schools in town to be closed, or if the wind chill was low that the club house would not be opened. This procedure has been continued since then and I don't know if it was written down anywhere at that time but it has been shared among the residents.

Hopefully this will answer the question of when the clubhouse will be open. I guess we just want everyone to be safe, and not venture out when conditions are bad. If you have a question ask your neighbor I'm sure some one will help you figure it out.

A Note from Mildred

Remember we have the time change on March 8th where we spring ahead and hour!!!

We want to extend our sympathies to the family of Linda Ryley at her passing.

Resident Info

Gary M is still collecting dues; it is \$5 if you haven't paid them yet. Remember the money is used to pay for the miscellaneous items we use throughout the year.

Remember to be careful when out and about, since at times we still have icy spots on our sidewalks and driveway.

We need to keep our neighbors in our thoughts as some are dealing with illness, falls and other ailments.

We have a phone number correction for Sandra F in apartment 963. Her number should be 402-450-2538

March Birthdays:

Jan A 2nd
Theresa T 9th
Opal W 25th

Upcoming Events

March 12th we will be having our monthly meal. It will be held at 12:00 pm.

The **sign up sheet** is at the clubhouse, the menu is soup, and the cost is \$4. We will be having a speaker. Plan to attend.

Does this bring back memories???

How Grandma Measured

Grandma stretched the ribbon
From her finger to her nose
And said "There is a yard of it,
A good yard, I suppose"
But little Margie watched her,
Looked at her awful hard,
"Now Grandma I'd just like to know
How you can smell a yard."

Neighborhood Tidbits

It was nice receiving valentines from other residents!

The February Meal was a soup luncheon which was enjoyed by all attending. Thank you to Alee N, Jan A, and Lenore P. for the delicious food!

We were joined by Aryka H and Nate G from Nye Health Services. They informed us of the different types of services that are offered thru them. They also answered several questions. They left informational brochures for us.

If you didn't get them, some are still available at the club house with their business cards. If you have a need for more information, contact them, they will be happy to help you.
