Somers Point

Newsletter

With Easter and Spring coming on us, we think about the wonderful weather we are hoping to have. This winter has been really unusual, constantly changing, and quite dreary, so we hope the newness of Spring will be an uplift for all of us. I was recently given an article to read about the value of antennas on our cars, do you remember them??? You had to have them out as far as they would go to get a good reception, if you didn't nothing came in clear, you just heard a lot of buzzing. Do you keep your personal antenna out all the time? If you don't all you may hear are complaints, negative remarks, things that take away from our happiness and hope. But if your antenna is out it could make a big difference in your life, like how much more wisdom, life, and love are available. And by listening you can hear lots of what positive people do and share. So, listen, the way to change the world is not by rearranging people by pulling out their antenna, but to pull yours

out and get another 12" of reception on the good things in life. Happy Listening!!!!

Once again we enjoyed a great Spaghetti dinner, thanks to Mae B. Janice B. and Shirley P.

Our April meal will be at 5 p.m. on April 20th, and it will be pot luck, note the date and time change.

We are trying something new, on **Thursday April 13th**, we will be hosting a **Spring Resource Information Fair from 11 to 1 p.m.** Lunch will be free. Vendors will share information that can be helpful and answer questions especially for Seniors. See the enclosed flyer. Save the Date.

Unfortunately, the information that was put on our doors on the date change for inspection, came on a very windy day, and some of you may not have seen it before it blew way. **Inspection will now be the week of April 24th.** Sorry for any inconvenience.

The family of Mary Rhodman would like to honor her on her 100th birthday on Sunday, April 30th at the Somers Point Club House. No gifts please. Your “presence” is the perfect gift. Cards may be sent to Mary at 970 W. Somers Point.

If you have information on a program or something you feel would be of interest or benefit to residents, contact Virginia or Rachel, so we could arrange to share that.

Just a reminder, hopefully with weather improvement, we will all start flying our flags again. The wind has been very hard on a lot of them. If you need a new flag, contact Allyn B., he may have some available, or you can purchase them at Menards, Wal Mart, or Ace Hardware.

If you are a reader, you need to stop at the club house and check out the books our residents have donated, we have received quite a few lately there is reading there for everyone. Also, there is a big assortment of puzzles that can be worked on at the club house or borrowed. The DVD’s there can also to be borrowed.

We have been hearing a lot about food contamination. In the news, the CDC is encouraging that if you buy fresh food such as celery, carrots, grapes, apples, strawberries etc., you soak them in a mixture of 1 t. soda to

2 cups of water for 10 to 15 minutes to get rid of any pesticides that may have gotten on them.

According to the interest on the sign-up sheet, our Somers Point Garage sale will be June 2nd and 3rd.

Signs are available at the club house for your yard, and advertising will be done online. Each resident is responsible for their items in their own garage. You may also add it to your Facebook page or any other you use.

If you attended the Information Meeting on March 28th with Rita and the Allo Representatives you had a chance to give your opinion on changing cable service providers. A vote was taken of those present at the meeting. Based on the majority vote to change providers, the Housing Office will work with Allo on the transition process. It will take some time for it all to be put into place and *you will be given further instructions at a later date.* DO NOT DO ANYTHING AT THIS TIME.

Remember though it is still your responsibility to change your landline and internet if you wish to change your present service.

We extend our Sympathy to Marlene M. on the recent death of her mother.

Get well wishes go out to Vicki B.,
Mary R., Jill P. and Marilyn H. We
hope to see you out soon.

Our April Birthdays are:

Sandy B.-----20th

Kay W.-----22nd

Pam P.-----28th

Irene H.-----29th

Mary Rodman_____30th

Happy Birthday Ladies!!!

Treasure's report as of March 28th.

Regular Dues account-----\$322.88

Bingo Account-----\$430.56

Meal Account-----\$159.60

Total Accounts-----\$913.04

With spring here we sometimes do
some cleaning out and have "stuff" we
don't know what to do with, or where
to take it. In our most recent Utility
Bill, was an insert of places in Fremont
that will except those kinds of items.
Take a look you may be surprised
what you can recycle, or donate.

Our recipe comes from Betty K.

Surprise Cookies

1 cup peanut butter

1 cup sugar

1 egg

Mix well, drop small ball size by spoon
on baking sheet and bake at 350* for
15-20 minutes. This makes a small
batch, can be doubled.

Happy Easter!!
