

Somers Point September 2023 Newsletter

Just looking around we can tell that Fall is on its way, so much different than usual. Of course, the whole season has been different, so we enjoy it while we can.

I recently read “That perception is a key component of gratitude, and gratitude is a key component to joy. Some people could be given an entire field of roses and only see the thorns in it. Others could be given a single weed and only see the wildflower in it.” Which one are you, we all face changes in our life, whether it is our health, family dynamics, or a living situation, or something else. I hope you take the weed and see the wildflower.

We had another wonderful meal in August, thank you to Betty and Steve, their daughter, and Audrey their helper. It was delicious.

Our September 14th meal at 5 p.m. will be served by Alie, Virginia, Jerrie, and Rachel. The menu will be pork loin, macaroni salad, beans, and bars.

Cost is \$4.00 per person, Sign up at the club house by the 8th. Ed Watts from the Fremont Police Department will be our guest, and share information on Scams, what to watch for and what to do. A lot of that is happening all the time, so get informed as to what you can do and how to prevent getting caught in a scam.

A day full of memories.

A catered Thanksgiving meal is being
planned again. It will be held on
November 16th. Watch for more
information.

There have been some changes at the
Club House, thanks to the Housing
staff. We especially appreciate the
new tables and covers, the new
cabinet now contains Puzzles, Games,
& DVDs, which you can borrow or
gather with friends to do there. The
bookshelf in the "reading corner"
holds many books you can borrow
and return. We will soon have some
sound barriers installed to help with
the sound when there is a large group
of people. If you use Wi-Fi, note the
sign with numbers posted at the club
house to use it. Also, please
remember that chairs were made to
be sat on not tables, sitting on tables,
or sliding them on the carpet is hard
on the legs. Thank You.

Are you interested in playing Hand
and Foot, or learning how? Jan A. is
willing to organize a group, if you
would like to find out more about it
contact Jan.

With the new year just around the
corner, we will again have sign-up
sheets out soon on the bulletin board
by the kitchen, we will be looking for
people willing to serve a monthly
meal, and to help with keeping the
Club House clean. Even though
wiping tables and a little vacuuming
after each event is done, a once a
month cleaning of the kitchen and
bathroom are needed too. The
supplies are there for you to use, and
we just recently replaced the vacuum
cleaner with a lighter-weight one.
Please do your part. Thanks!
