# **SOME DEFINITIONS TO PONDER!**

### IS THIS YOU?

**Discrimination** is any act against any individual based on skin color, or racial or ethnic origin. Individuals can discriminate by refusing to do business with, socialize with, or share resources with people of a certain group.

Racism

Racism is the belief that groups of humans possess different behavioral traits corresponding to physical appearance and can be divided based on the superiority of one race over another.

# What Constitutes an Adult Bully?

Just like children and teenagers can be bullies, so can adults. What defines an adult bully is if they regularly make you feel oppressed, belittled, humiliated, or de-energized. The cruel actions that often lead to those feelings include personal insults, ridiculing jokes, threats, public shaming, invasion of your personal space, or unwanted personal contact.

### Harassment

discrimination

Harassment covers a wide range of <u>behaviors</u> of an <u>offensive</u> nature. It is commonly understood as behavior that demeans, humiliates or embarrasses a person, and it is characteristically identified by its unlikelihood in terms of social and moral reasonableness.

In the legal sense, these are behaviors that appear to be disturbing, upsetting or threatening. They evolve from <u>discriminatory</u> grounds, and have an effect of nullifying a person's rights or impairing a person from benefiting from their rights. When these behaviors become repetitive, it is defined as <u>bullying</u>. The continuity or repetitiveness and the aspect of distressing, alarming or threatening may distinguish it from insult.

Deb Barden can most likely be found at the local thrift shop getting a great deal for her neat apartment. Ask a friend of Deb and you will also find she is there for them when they are in need.
