

**June 2023
Somers Point
Newsletter**

It seems like we are already into Summer, where was Spring? We have also celebrated Memorial Day; it gave us all a chance to reminisce of long ago. I hope it was all good memories, but sometimes we make the comment “if only.” Would we have done or said something different to a certain person gone before us, before the time we think they should have. We have no control over time and what happens, we can only plan in real time. BUT we can definitely make that time important, by what we do, what we say, and especially how it’s used. So, think about what’s important, say what’s important and to whom it’s important, remember we may only get that chance once.

Each day we get up is a new “time” make the best of it, dwell on what is important in that time, not on “if only” or “what

if’s” that is one of the few blessings that we can count on always.

Thank you to John, Mildred, and Jerrie for our May dinner, it was delicious. It is always a joy to “eat out” with friends.

Our June meal, a **BBQ** to show appreciation for Somers Point Residents, will be hosted by the Fremont Housing Agency. It will be at NOON on Tuesday, June 13th. *The official sign up end-date, May 26th, has passed. However, if you call Becky at the FHA Office - 402-727-4848 – by 4:00 p.m. June 2 you still may have an opportunity to sign up.* After that time, unfortunately you will have to wait until next year to attend.

The Somers Point Garage Sale dates are June 5th and 6th. If you wish to have a sale in your garage, it is your responsibility to set up and mark your own items and

transact your own business. It will be advertised on line, and a sign will be put at our entrance, there are a few signs at the club house you may pick up for your yard. We hope to have a great turn out. Neighbors can combine items together.

The Keene Memorial Library will be coming to the Club House the 3rd Wednesday of each month at 10:30. If you would like to check out books etc., you may come and pick from what Elisa brings with her, or tell her what you would like to read, she will set you up with a library card at no cost, she will also deliver to your home. Come and find out the details.

During the month of June every Thursday night starting at 6 p.m., the city is providing "Concert in the Park". You only need to take your chair or blanket. The park is located on 8th and Broad, across from the Methodist Church, there is parking on 8th, 9th, and Main Street and, around the school office building. It's fun for all, there are food vendors, and entertainment for all ages. Get a car full of neighbors and take it in.

Everyone was very pleased with Tyler the Window washing man. Thank you, Tyler. Our thanks also go out to the Housing Office for having our homes sprayed for bugs and for providing the recycling service for us. And a special thanks to Rita for all the work she is doing to get ALLO available for us.

Treasurer's Report:

General dues fund: \$269.88

Bingo Fund: \$346.05

Meal Fund: \$226.60

It is not too late to pay your \$5 per person dues, these monies are used for Club House needs, all resident support is appreciated. Due to the rising costs, we will be raising our Bingo card to \$2 for two cards beginning in June, this money buys Bingo prizes. With the rising of food cost, our monthly meal price beginning in July will be \$4 per person, which is still a fair price compared to eating out. These funds will be used for our catered Thanksgiving Dinner and hopefully we will not have to raise the individual cost for that meal.

Please encourage family and friends who drive into Somers Point to beware of the speed limit on our street, if a delivery person comes to your door encourage them also.

Our recipe come from the Dodge County Extension Office:

Scrambled Egg Muffins
2 cups vegetables washed & diced, (broccoli, red or green peppers, tomato)
6 eggs ¼ t. salt
¼ t. pepper ¼ t. garlic salt
½ cup shredded cheddar cheese

Spray muffin tin, spoon in vegetables, beat eggs add seasoning. Pour egg mixture over vegetables. Bake at 350*, remove at the last 3 minutes sprinkle cheese on top, and return to oven. You may use other vegetables such as mushrooms, spinach, as well as diced ham or Canadian bacon. Makes 6 muffins.

Hope your summer is a great one, as you make new memories with family and friends.
