

How do you look at October? Is it because its Fall and we see so many beautiful things in nature, or do we feel let down because winter is coming? It could be both for most people, and then it's also Halloween month, so we have a lot of choices how we see October. Just like our everyday life we have a lot of choices each day about what we make of it. Will you be looking forward to the beauty of Fall, the dread of Winter, or just how spooky Halloween can be. Aren't choices interesting, sit back these fall days, and decide on your choices, I hope you choose the beauty of Fall, the joy of the coming of Winter, and the fun of Halloween, we can have it all if we make a good decision. Happy choosing!!!

Another good meal was served in September by Virginia, Jerrie, and Rachel. And meat was provided and prepared by Virginia's grandson, isn't that wonderful!! Thank you Micheal.

We are planning our catered meal for Thanksgiving on November 16th at 5 p.m., watch for more information. There will be a minimal charge. We will have the same catering service prepare the meal.

We have had a successful year with our monthly meals, this has provided us with funds toward our catered Thanksgiving meal, so we can keep the cost of that reasonable. If we want to continue doing the Thanksgiving meal this way, we hope more people who are able would be willing to provide a monthly meal, as some of the same people have been doing it more than once a year. Please consider how you can help.

Funds from our monthly meals and part of the funds from our business partner Dugan Mortuary will help to cover the cost of our Thanksgiving meal. A special thank you goes out to Dugans.
