

December 2024 Somers Point Newsletter

Why does it seem that Christmas always comes around so quickly, is it because of our age, or are we like Children and just anxious for it? What are your favorite Christmas memories? A visit to Santa, going to Grandma and Grandpa's, being in the school or church's program, or a gift? We all have one at least. Then again, we probably have a Christmas memory we would rather not remember. Whatever the case, we can still celebrate the true meaning of Christmas in our hearts. Christ's birth. So may your Christmas be filled with your best memories yet.

think it was agreed on by all, we had a wonderful Thanksgiving dinner, and it was well attended. Wasn't it fun to play Thanksgiving Bingo?!!! Those gals are great cooks, aren't they?

After some discussion, there will be no change in officers for our resident group. I would like to thank all of you for your support and help you have shown, for the comments, and complements, and work you

have done toward keeping our group active.

You have helped with providing food, keeping the club house organized, and clean, welcoming new residents, caring for each other, and most of all being a friend. A special thank you to Virginia and Mae, for all the support and help. May 2025 prove to be just as great. Thank you, Rachel.

With many activities for Christmas with family, friends and everywhere else, we will be doing our Christmas event here at Somers Point a little early. EVERYONE is invited to a Christmas Gathering on Wednesday, December 11th, from 2-4 p.m. at the Club House. It will be a special time, and we ask that you bring one dozen cookies for a cookie exchange.

Thinks to remember:
Along with the New Year comes planning and reminders. Dues for 2025 are \$5 per person and can be paid to Mae B. at any time.

Helping provide a meal for our monthly gatherings. There is a sign-up sheet at the club house by the kitchen. Two or three people working together works well, those meals are served at \$4 per person, part of the cost of the meal is provided, and the rest goes toward our catered Thanksgiving meal. April, 4th of July, and October are potluck meals.

Also remember if you wish to use the club house for a family gathering, you need to sign on the calendar just inside the club house door on the date and with the time, and your phone number. It is first come first served.

If you know of someone you think would be of interest as a speaker for our residents please let Rachel know, as we are planning our year.

Reminder: Rebecca from the Library is here every 3rd Wednesday of the month at 10, a.m. with books you may check out, she also will deliver books to your home, all you need is a Library card.

Reminders: With winter weather coming it is important to have the area around and up to your doors clear of yard items. Our snow removal service appreciates that,

and they are not responsible for anything that gets broken.

Remember also, do not throw bird seed or food of any type out for birds or squirrels, which is very drawing to wild animals, which can cause a lot of damage to the property and be very unsafe for you.

This month we send our well wishes to Woody W., Betty H., Vicki B., Mary R., and Doris F. May you feel improvement every day.
