

This flower is one I saw when I recently visited Wyoming, it looks so peaceful, and perfect. Are our lives always peaceful and perfect, a lot of times not. My patience was tested on my way home with 5 delays in my flight schedule, which wasn't a peaceful and perfect way to end a vacation. But as I looked around the airports and saw people hurry and running to their next gate or heard of some that their whole flight was cancelled for a day, I realized I didn't have it so bad, and needed to practice my patience a little more, because no matter how impatient I became it wasn't going to change. Patience is a virtue to be practiced daily, I hope most of the time it is easy for you to do rather than get uptight with something you cannot do anything about. May you find peace daily.

Our 4th of July potluck was small, but the food supply certainly was not. People often wonder why they

are called put luck, but once you go to one you know, the luck is all the different foods and recipes you get to try. Thank you to everyone who came. Our next one will be in October.

Our August meal will be hosted by Steve and Betty Kostboth on the 8th, at 5 p.m., at \$4.00 per person. The signup sheet is at the club house.

Eric from American Benefits has let me know that there will be some major changes in Medicare for 2025, he will be joining us at our September meal to fill us in with what he knows and have some fun. He will also come again in October with the final info and will be willing to answer questions and make appointments with anyone to visit with him personally on your supplement plan. It pays to be wise about your plans and how they pay. You can also call him; his phone and his business cards are at the club house for anyone to pick up.

Our Library at the Club House has been gifted with quite a number of Readers Digest series books, if you are looking for something different to read, stop and take a look,

remember too that the Public Library is here on the 3rd.

Wednesday of each month at 10, you can order and pick up books from Renae, or she will deliver to your home.

For those of you who are not aware there is a Farmers Market every Thursday afternoon in the parking lot of Military and Park Avenue, and also on East Military Avenue in front of the Donut shop on Saturday morning. Daniel's Market is in the Mall Parking lot daily.

Just a reminder, if you have submitted a work order to the Housing Office more than 14 days ago, you need to call and remind them again. They are busy people!

We will not be playing Hand and Foot for the time being on Wednesdays, we will let you know when it will resume.

You can find brochures for the Fremont-Midland Entertainment Series for 2024-25 at the Club House. It is a series of 6 shows mostly music type between September and May, the cost is \$70 for a season ticket, individual tickets are \$20 each. This also includes a Midland College Arts performance. This is great entertainment right here in

Fremont.

Because of the cost of groceries, and other Bingo items not being available we are having to look elsewhere for some of the items we normally get, we are open to any suggestions or ideas on trying new ideas for Bingo prizes. Please let us know.

This was shared by one of our residents, and we can probably all relate to it at one time or another.

Jesus loves me this I know,
Though my hair is white as snow,
Though my sight is growing dim
Still He bids me trust in Him.
Though my steps are oh, so slow
with my hand in His I'll go.
On through life let come what may,
He'll be there to lead the way.
When the nights are dark and long,
in my heart He puts a song. Telling
me in words so clear, have no fear
for I am near.
When my work on earth is done
and life's victories are won, He will
take me home above, to the
fullness of His Love.

Enjoy the rest of the Summer!!!
