

June 2020 Somers Point Newsletter

June is here and we begin to realize that the year is almost half over, this year has been a real mystery, not knowing what each new day will bring. But if we stop and think there is real JOY to be celebrated. The Corona Virus has created a lot of havoc with our lives, but it has also brought many joys, we have learned new ways to keep in touch with others, thus learning how important others are to us. We have learned that some things we thought were important aren't any more. And we have also found out how loving and caring others can be, even people we don't know. That is how joy is shared. Each day should be a joy to us, we are blessed with many things we took for granted before and now realize how important they are.

So, let's not forget those joys that come to us each day, and share them, tells others how important they are to us, and just plain practice JOY!!!

We had a great turn out for our Outdoor Birthday gathering on the 14th of May. That was a great idea Jane and Marilyn, and our thanks to Dugan Mortuary for the birthday cake they provide each month.

We have received permission from Rita at the housing office to reopen the club house as of June 15, however we must follow the CDC and our Governor's recommendations on distancing at 6', and no self serve food. That would be very hard for our group to hold our activities. So, because of the ruling we will be trying

something new for our June 11th Pot Luck, it will be a Brown Bag Affair. We will meet outside the club at 5 p.m., however, each person will bring their own brown bag lunch and lawn chair, and we will distance ourselves and Brown Bag it. Drinks will be furnished, or you can bring your own. We all need to get out, have some socialization once again, and enjoy the wonderful summer weather. Those rainy and windy days do come though, so we will make Friday, the 12th our rain day. Please plan to join us. We will plan to do this in July and August also. If you feel that you want to have an activity in the club house you must comply with the 6' rule, and the 25 people which will be very hard to do. Also not mandated but highly suggested is wearing a mask. If you have any further questions, please contact Amanda at the Housing Office. Sometimes you can get your questions answered as to cans and can't by checking your hand book that you received when you moved into Somers Point.

The June birthday gathering will be held outside the club house on

June 18th, starting at 1:30, (rain date the 19th) cake and drinks will be available. Bring your own chair, enjoy the social time, and wear a mask if you are more comfortable, each person must make their own decisions on events they are comfortable with. Note date change to allow for rain date.

Activity Day hasn't happened for a long time either, so on Wednesday the 24th, we will gather outside the club house and just socialize, bring a chair, and your own drink. I Am sure we can all find something to visit about!

Also, the club house will be open on Monday and Wednesday mornings for the exercise group. They will need to distance themselves, if you would like more information on that, call Betty K.

The club house will also be open on Wednesday and Thursday afternoon from 1-4 for those of you who wish to pick up or return books or puzzles. We have some very enjoyable books and puzzles. We encourage those going in and out of the club house to wear your

mask if possible when there is more than one person.

Just another reminder please do not lock your outside storm door, if the rescue people need to get in, they would have to break down the door even when they have a key for your inside door.

We send our good wishes to Ruth K. as she is recovering from a broken leg, she is now recovering at her daughter's, and we hope to see her back home real soon. Also, our best wishes to Jean T. who is hospitalized for surgery. And we send our recovery wishes to Jan C. after her fall.

If you haven't paid your \$5.00 per person dues for 2020, you can still do that to Jane G. this is optional but appreciated. These funds are used to keep cleaning supplies, paper products, coffee etc. in the club house.

Our Financial Reports: Birthday Bingo funds on hand \$81.80, this is used strictly for Bingo prizes.
