

Time just keeps “Marching” along doesn’t it? Hasn’t winter seemed long? We’ve had some real dreary and cold days, but still we can show our Generosity, especially to those who feel the dreariness so easily. Again I have been reading from my favorite author Debbie Macomber and learned that another form of Generosity is Hope, some days our hope is weak, some days we can share hope with others, no matter how we do it, even the kindest comment to someone gives hope, so practice hope with others, it just might help you too.

So, the coldest day this winter was our February potluck. 21 braved the day, and we enjoyed good food with “lots” of Valentine desserts. And had fun guessing who those babies were.

2020 Somers Point Newsletter

Hoping all of you had a wonderful Valentine’s Day, however you spent it. Love creates Hope!

Our next potluck will be March 12th at noon, Steve Hespen from the Dodge County Sheriff’s Dept. will be our guest, and he will share with us about being alert to Senior Scams and Fraud.

Despite the weather this month we have had a good turnout for the different events at the Club House, remember those are for all our residents, why not join us, and get better acquainted.

March Activity Day will be the 25th, cards and games are available, just an afternoon of fun and visiting, if you have a craft you want to share or teach, bring it along.

YARD SALE UPDATE

The yard sales are scheduled for May 29th & 30th. Each person is responsible for the sale of their own items, if you wish to partner with a neighbor you will need to work that out with them, there will be a brief meeting on March 20th Bingo day to discuss ideas. A signup sheet is on the bulletin board at the club house, or you may contact Irene H. or Marilyn B. with ideas or questions.

We wish all those who are dealing with health issues well, we are glad to hear there is a slight improvement with Virginia D., also glad that Jan C. is back to stay. Glad too that Richard H. is back home, and we wish a quick recovery to Marilyn H., Jean T., and Jane G. We hope Spring will arrive soon and send this flu season on its way.
