

2022 Somers Point Newsletter

Happy Spring! Isn't it wonderful to be able to have daylight later into the evenings once again? Be sure and take advantage of that. We also pray that Spring rains will come our way soon and make our days even brighter. Are you a Suzy or Sammy Sunshine or a Debbie or Donnie Downer, are you always thankful to put your feet on the floor each morning? Some days it is hard, there is no doubt about it, but we can choose if we are going to be Suzy or Sammy or a Debbie or Donnie.

Whatever we chose usually stays with us all day. It appears in how we react to people, what we say to them, and especially how we say it. We all have the ability to be one of these, but you still have to choose which it will be, so make the right choice.

You never know what may be going on in that other person's life, that they might need you to be a Suzy or Sammy to them, and just brighten their day. Right now, life is full of many negatives and unknowns, so how we react to them can make a big difference in some one's life and bigger difference in yours. "We are not called to tell people how important WE are. WE are called to tell people how LOVED they are" Quote from Hosanna Wong, Author

Happy Spring!

With the Spring season we will now be holding our monthly meals at 5 p.m. on the 2nd Thursday. April 14th will be the traditional Potluck, so get out your favorite recipe and give us a taste. Ron Giesselmann the director of the Masonic

Children's Home here in Fremont will be our guest and share with us just what the Masonic Home is all about. Ron is Fran M's son in law.

The Spaghetti and meatball dinner last month was a real treat. Wasn't it interesting to hear Kristine talk about the Marathon running she does for MS; we thank her so much.

April 6th at 1:30 p.m., will be an Easter Craft time at the club house, you can see the crafts being made at the club house, and sign up for which one you'd like to do for the cost of .50 cents. Even if you don't want to make something, come for the fun and fellowship.

We are still in need of someone to host the July dinner, check the signup sheet by the kitchen.

There is still a chance to sign up as a housekeeper for a month at the club house also, remember if everyone helps a little it isn't hard, and it makes a safer and cleaner place for us to gather.

There has been some serious scamming going on, especially with bank accounts and credit cards. Be sure you check your bank account often for unusual activities, the banks work hard to keep that from happening but we need to stay on top of it too. Also remember to never give out any personal information such as your credit card number or SS number to anyone over the phone especially if it sounds "good" because it usually isn't. It has been reported that someone is posing as a Spectrum person, we have our Spectrum through our rent, therefore they have no reason to call us. BE CAREFUL!!!

Recently in the Fremont Paper there was notice that you can recycle Cardboard and Glass at the Fremont Recycling location on South Broad, just north of the Platte River Bridge. You may make drop off from 8 a.m. till noon on Saturdays.

The Monday Water Painting group will continue to meet;

however, they will only meet on the first Monday of each month starting in April.

Included with this newsletter is information on receiving Commodities, please read this, as you may be surprised that you may be eligible. Contact them for more information and help. Last summer we were fortunate to have some commodities boxes dropped off for us at the Club House that we shared with everyone, we do not know if that will happen again this summer, but if it does, we will try and notify everyone at the time. The Housing Office arranged this.

If you enjoy Bingo and would like to play more than once a week, the Keene Memorial Library offers Bingo on Mondays from 1-2 p.m. Check it out.

We are sorry to hear that Norma M. has moved to Dunklau Gardens, we wish her well in her new home, also want to thank her for being the care taker of the flowers around the Club House, for many summers, great

job Norma. It is also good to have Ivy Z. back in her home after her fall, we wish her a continued good recovery.

This month we wish a Happy Birthday to:

Sandy B.—20th

Kay W.—22nd

Irene H. -----29th

Mary Rd-----30th

Do you ever wish for just a piece a cake but don't want a whole pan of it? Try this: Mix one box of Angel Food cake mix, and one box of any other flavor mix you like and store in dry container. When you're ready for a piece of cake make the: "1-2-3 Mug Cake"

In a Mug put one T. spoon of the cake mixture, add 2 T. of water, stir and microwave for 3 minutes. And you have one piece of cake!!! You may frost, eat with cool whip, or chips on top. You can also add a few chips in the mixture before heating. How simple is that!!!!
