

2021 Somers Point Newsletter

Lately each day seems like it's the same, yet when you look at the calendar it is hard to believe it is March already. Seeing that can bring us new Hope once again. So, what do we hope for, that the Covid will disappear, that the weather will be warmer, that our aches and pains will lessen? Yet somehow, we don't have any control over any of that, we have faith that what we hope for will happen. We all have our own way of dealing with these things in our lives, some we'd like to change, others we hope never change. So, practice your faith in what you believe, because life goes on and we need to be strong ready for what life brings. May the new hopes you have faith in, bring you into a new Spring.

We started on February 3rd with our Bingo again, 14 people attended, and 21 on the 19th, it was decided that we will continue with other activities in March.

Check the calendar for those activities, and plan to join us, the club house has been opened and the "Coffee Group" has done a great job keeping it clean and setting the room for distancing. Plan to join us if you feel comfortable, masks are optional. By this time a lot of our residents will have received or soon will receive their second Covid vaccine, however we are still reminded that wearing a mask is important.

We are planning to have Pot Luck on Thursday, March 11th at noon, sloppy joes will be provided, just bring yourself, there will be a signup sheet at Bingo on the 5th, you can stop any time to sign. We will see what the situation is, but we plan to go back to the regular potluck in April at 5 p.m. Hope to see you, as always, masks are optional, but encouraged.

The Bible Study group is one of the groups starting to meet again, if you are interested, contact Sandy B. for more details.

There is a signup sheet by the kitchen door for anyone who is willing to help host our potluck meals, it is helpful if two people sign up. Please consider taking a turn. Along with that comes keeping the club house clean, so you will see a signup sheet for that also, consider taking a turn at that by the month, so the same people don't have to do it all the time. Your help is appreciated more then you know.

There is also an exercise group that meets twice a week, contact Jan B. for information. We will continue to have Activity/ Fellowship day on the 4th Wednesday of the month, come to visit, play cards, board games, and the coffee is always on.

Remember too there are a lot of books, and DVDs for you to borrow from the club house at any time, keep them a reasonable amount of time and return them for different ones.

Just a reminder, inspections will be the week of March 21st, hope you are ready!!!

Reminder: The time will change on March 14th; won't that be great to have longer day light once again. And the first day of Spring is the 20th!

Word was received on the passing of Evelyn Carnahan on the 28th of January, Evelyn lived in S. P. II. She was living at Glennwood, Iowa near her daughter.

We are hoping that our residents who have been dealing with different kinds of illnesses are all improving and will soon be able to be out and about again. Stay well, enjoy Spring.

We give a special thanks to the snow removal crew that has worked very hard out here to keep our sidewalks and street clean, we have had a lot of snow for them to deal with. Thanks guys!

Also, a special thanks to Allyn and Gib for continually making sure the club house is kept clean, and ready.

Thank you to all of you who have told me they enjoy the news letter each month, I am not the only person who has to write

something, if you would be willing to share a thought, or a poem occasionally, it would be greatly appreciated also. We all have a hidden talent in us.
