Welcome to Fall. We certainly have begun to see the signs of fall, the colors are so beautiful, how easy we forget that from year to year. Look around!

Sometimes our lives get so busy we forget what is important to us. Do you ever feel that nothing matters? That is so wrong. We all matter to some one, and some one matters to us, even when we hear of all the sadness and stress in the world today. Take a look around you and see who or what that is. Is there something you can do or share with others? We all have many skills and much knowledge we can share, and now is the time to do that. So, start sharing today, you'll not only be helping to brighten someone else's day but yours too. Give it a try, call a friend, send a note, make a visit with some cookies.

games, and would not be over till after dark, everyone is welcome, bring a snack if you want. There is always plenty.

On Sunday, October 17th we will have live music by Johnny Johnson, a cousin of one of our residents, at the Club House from 1:30-3:30. Join us for a fun time, and great music.

Because we have started having Bingo every Friday, which we are enjoying, it was decided that we would pay \$1.50 for two bingo cards. This money is used for prizes, and we thank Leona P. for the fine job she does shopping for them.

We are in need of volunteers to clean the club house weekly, and to check it during the week.

There is a sign-up sheet by the kitchen door, please consider doing your part. We can't depend on the same ones doing it all the time, it is important especially during Covid.

It has been decided that we can no longer depend on one person to put flags out by the sidewalk

on the special holidays. If you want to fly a flag by your side walk it will be your responsibility to put it out. We will try and remind you on our monthly calendar. If you do not have one you may pick one up at the club house. They are larger than the ones by your garage. Oct. 11th is Flag Day. Thank you to Allyn, Gib, John and Steve and to all others who have so faithfully put them out.

Have you noticed the Caster Bean plant by the club house, isn't it attractive!! Thanks to Norma M. for planting it. Also, thanks to her and Irene H. for doing the watering around there.

We send our sympathy to Connie M. on the death of her son-in-law in South Dakota.

Get Well wishes to Norma M. who is recovering from surgery to Connie A., Jean T., Suzanne W., and Joe S., we hope you are all doing well.

Does one of your neighbors have a name and number of a family member or person they could call for you in an emergency? Why not consider posting a name with number on your refrigerator for that purpose. You might be glad you did, and so would the person that was called. You are important!!! So is your wellbeing.

Plans are being made for November to have a Show and Tell Day of your hobbies and crafts, so think about what you can share, and plan to show and share what you can do.

Hint of the Month: Using fabric softener in the washer or fabric softener sheets in the dryer with your towels can cause a buildup on the towels and the towels will not absorb well, especially dish towels.

Our Recipe is from Lois O.

3 Lb. Dip

1 Lb. Velveeta Cheese

1 lb. sausage browned

1 16 oz. jar Pace Picante Sause

Combine in crock pot and heat till cheese is melted, stir well.
