Stanton Floors 10-11

A few notes from the Accounting office -

First, we wish to thank everyone who pays their rent on time every month, especially during this past year!

Remember, cash is not accepted. Your payments must be made by check or money order. Please make sure the check or money order is written for the correct amount. A partial payment also cannot be accepted! Your account will show as not paid until the full amount is received.

If your name and apartment/unit number are not pre-preprinted on the check or money order, please make sure that information is <u>legibly written</u> on the document. This will expedite crediting your payment to your account.

Likewise, if someone else is making your rent payments on your behalf, please ask them to make sure that **your name** and apartment number are on the check or money order.

If you are one of the many tenants that like to pay your rent ahead, we would appreciate it if you would wait to send in the next month's rent until after the 15th of the current month. Thank you.

"Home sweet home. This is the place to find happiness. If one doesn't find it here, one doesn't find it anywhere."

- M. K. Soni
